## **Bi-annual Journal**

Citation: *J. Aquat. Biol. Fish.*

ISSN 2321-340X

The Journal publishes invited review articles, special issues and original contributions dealing with all aspects of Aquatic Biology and Fisheries, and appreciates multidisciplinary research papers on emerging and frontier areas of research in Aquatic Biology and Fisheries. The contributions can be in the form of original research papers and short communications relevant to freshwater, brackishwater and marine environments.
