Journal of Aquatic Biology & Fisheries

(Journal of the Department of Aquatic Biology and Fisheries, University of Kerala, India)

Special Issue on Mangroves and Fisheries

Based on the papers presented in international conference on "Conservation of Mangrove Ecosystem: Synergies for Fishery Potential" in India to be held online during 19-21 November 2020, organised by the Department of Environmental Sciences, University of Kerala.

Bi-annual Journal

Citation: *J. Aquat. Biol. Fish.*

ISSN 2321-340X

The Journal publishes invited review articles, special issues and original contributions dealing with all aspects of Aquatic Biology and Fisheries, and appreciates multidisciplinary research papers on emerging and frontier areas of research in Aquatic Biology and Fisheries. The contributions can be in the form of original research papers and short communications relevant to freshwater, brackishwater and marine environments.
